Duraflame Electric Fireplace

Log Sets - Duraflame

Place this LED log set into an existing fireplace and the watch the flames project in the back. The realistic log set and ember bed sit in an Antique Bronze finish fire grate and feature a rolling, pulsating, flame effect that works with or without heat. Provides supplemental heat up to 400 square feet. No hookups or vents required, just plug it into a standard 120V, 3-prong grounded outlet. Control the log set from anywhere in the room using the included multi-function remote control.
